**WARP SPEED TO DEMOCIDE**

The primary means of spellcraft throughout the ages has been one that harnesses the base materials of life, evoking their supposed spiritual energies towards the will of the invoker. These physical tools — whether it be the wand or the ward, the sigil or the seal, the poison or the potion — it is through these tools that real and spiritual changes have been made upon our material realm. The reality of occult practices such as remote viewing, divination, or astral projection, and their weaponization by the governments of the world is one that can simply not be ignored. While utterly inferior to Christ's power, these arcane practices still hold their allure precisely because of the real spiritual forces behind such workings.

**Dear Criminal Justice Authorities and Public Officials:**

**I write this affidavit pursuant to the stoppage of all the attached Boyden Gray PLLC law front's name aligned, patterned, and practiced, criminal use of state and federal money, contracts, agencies, and counterfeit laws for treason, genocide, mass murder, and democide.**

**In summary, the below National Association of Black Defenders website was sent to my computer. I was searching for competent and qualified attorneys to sue and stop the attached indisputable NYS DMV criminal and Commissioner Shroeder and the NYS Department of Taxation criminal and Commissioner Amanda Hiller, criminal use and abuse of NYS agencies for eugenic assassination programming, democide. I am an over 10-year victim of their treason, counterfeit law making and attempted murders, using government agents, money, contracts, and counterfeit laws. I seek an end to this NYS DMV and NYS Department of Taxation programmed government democide killing program, implemented as the Discriminatory good-standing driver license suspension program.**

**Unfortunately, the National Association of Black Defenders Inc, is a Boden Gray PLLC law front, using a CEO, who is a living dead body broker investor, working out of Global Management Investments, an organ transplant criminally concocted entity, created for democide body broker investments.**

Despite having a law front as Black Defenders, it was created for, and its stated priority is for information gathering and data collection for human trade/human trafficking. Please see the below. The CEO is listed as a Dr. Michael, who has no mention of any medical, law, or education license, degree, qualification and or experience. He is a Boyden Gray PLLC law front body broker investor creation, created for eugenic assassination/democide purposes, disguised as investments. See his defender law front CEO, with one concocted accomplishment, advertised as an organ transplant investor, at Global Management Investment.

This National Association of Black Defenders no law, medical or education qualifications, executive director, Michael McCorvey tried to solicit \$25,000.00 from me, yet could not define, jurisdiction, much more spell it. Yet, he has a master funded government contract, soliciting people and agencies under the guise of grant information, to recruit other desperate for money people to participate in this eugenic assassination government funded democide program, targeting inmates and victims of crime, for human trade data collection activities and living dead creations. There is a problem.

Investigations are needed. Questions need to be answered. Such as: Who created and owns this 18 USC Sec 371, defraud the United States and democide organization? Where is the below grant money information coming from? Where is the government contract authorizing this master deception, no lawyer executive director legal front? Why does it have a defender legal front and Black people title, while it has a human trade data collection prioritized mission?

**THE BELOW GRANT INFORMATION SOLICITATION EXEMPLIFIES  
18 U.S. CODE § 2389 - RECRUITING FOR SERVICE AGAINST UNITED STATES**

<https://www.na-bd.org/>

Why does this National Association of Black Defenders have an alleged chief executive with no mentioned or authentic education credentials? Is this Black defender's democide agency criminally using the defraud authority of the Bureau of Justice Statistics (BJS), to get to crime victims and inmates medical files, to begin their below living dead, label dead, while alive data collection, set ups and organ investments? How can this Black Defender democide agency get human trafficking data collection information on inmates who are stationed in prison and jails?

How can inmates be human trafficked? Why is this agency funded to get human trade data collection on crime victims and inmates? Who is this human trafficking/human trade data collection information being funneled to? Is this democide agency, created, concocted, controlled, and funded by Boyden Gray PLLC eugenic assassination and democide law front? Who supervises the National Association of Black Defenders? How does prioritizing human trade data collection activities help enforce Title VII of the Civil Rights Act of 1964, as assumed due to the website resource section? What is the purpose of advertising the below clowning sermon on the living dead, on this democide Black Defender law front website? Please see <https://www.na-bd.org/conferencejustice-summit-2023>.

What has this agency done to help enforce human rights, to stop human trading and trafficking and to stop environmental injustice in America?

I was compelled to write this affidavit, because this agency has all the investor, human trade, interstate programming, master deceptions from the top, Boyden Gray PLLC patterns and practices of another eugenic assassination, democide and conspiracy to murder, law front.

Consequently, I write this affidavit on behalf of exposing and stopping Boyden Gray's PLLC law front's ongoing and continuous, multiple, repeated, name aligned and attached exhibits, showing this law fronts not yet stopped, and for over 50 years, criminally disregarded, democide, genocide, mass murder and eugenic assassination programming's.

There is a need to exterminate off this earth, the entire Boyden Gray PLLC law front and all the criminals defraud, government contracts, funding sources, and attached eugenic assassination agencies.

Below you will find an extensive letter with almost 100 exhibits and reference links, I text and emailed Mr. McCorvey, of the fictional administration Black Defenders fraud and extortion/exaction, company. I wrote and sent such letter before discovering Mr. McCorvey's master deceptions, including, his body broker investor status, his human trade data collection prioritization, his lack of any education credentials, his doctor and lawyer impersonations, his advertised living dead amulet/fixation, using whooping and hollering sermon buddies, to exploit Christianity, his lack of litigation knowledge, and more.

Once I discovered his above noted, master deceptions and genocide liver transplant programming's, I discontinued all contact with him and his democide construct. To this end, please see the attached letter I wrote to him, before knowing he was a Boyden Gray PLLC, democide, Willie Lynch, money hungry, same race pitting, law front eugenicist, actively involved in the label dead, while alive, living dead, kidney transplant, body broker investor crimes. Below you will see his Black Defender ABA associate role and his, conflict of interest CEO role in organ transplant at Global Management Investments.

In the letter I wrote to Mr. McCorvey, I sought qualified counsel to fight off the over 10 years of eugenic murder programming, inflicted on me, by Mark Schroeder and Amanda Hiller, two NYS DMV and Tax commissioner criminals. The NYS Commissioner criminals administered democide and genocide by using the two above noted government agencies for conspiracy to murder crimes, disguised as Boyden Gray PLLC law front's name aligned Discriminatory Driver license suspension killing program. They criminally used two government agencies for democide, label dead, while alive administrations, eugenic assassination programming and more.

The letter to him and exhibits are attached. Mr. McCorvey acted like he was a Boyden Gray PLLC paid, race pitted, Willie Lynch, ready to sell his soul for money, black eugenicist, hiding his, attached below, in writing, conflict-of-interest, status as, CEO of liver transplant Global Management Investments, while he is the fraudulent CEO and doctor of the Boyden Gray PLLC concocted and funded National Association of Black Defenders.

In closing, I, Miriam Snyder, affiant, educator, evangelist, and multiple times attempted eugenic murder survivor, seek the execution of all label dead, while alive, unregulated, democide, mass murder, and genocide programming's. I seek the death count of all Boyden Gray PLLC law front's name aligned mass murders, including the law fronts attached exhibits. I seek the death penalty for each body broker investor, desperate money hungry killers, eugenicists, particularly law front eugenicists, using government and private funds, agencies, people on government payrolls, and contracts, for the label dead, while alive, living dead, creations, effectuating, democide mass murders.

## AFFIDAVIT

I, Miriam Snyder, hereby declare that this additional November 14, 2023, affidavit is against, all Boyden Gray PLLC eugenicists, body brokers, killers, partners, contractors, actors, lawyer impersonators, race pitting agents and more, individually and as Boyden GRAY PLLC law front partners. Additionally, I state that each paragraph in this affidavit and the exhibits attached are true and correct. I further attest to the following:

I have written and read this affidavit and all the facts contained herein are true and accurate based on my knowledge, information, and personal experiences.

This criminal report affidavit and my recommendation for the death penalty and closure of the Boyden Gray PLLC law front, is based on the Boyden Gray PLLC name aligned eugenic killing of millions of people and their current multiple criminal attempted murder programming's inflicted on me, including the induce paralysis,

torture, and injury directed energy/radiation weapons being used on me, in my home, their repeated programmed and paid for apartment vandalisms, and their food poisoning programming's. Please note I change locks, cylinders almost every month, and they are still criminally coming in my home, sabotaging my food and furniture. But God!!!!!!

This affidavit has been created to document repeated Boyden Gray PLLC law front organized hate crimes, the false pretense enjoinder of the National Association of Black Defender lawyer impersonations, their criminal money solicitations, their multiple defraud the United States and its people programming, their unethical and living dead conflict of interest, organ transplant activities and investments, at the master deception expense of defending crime victims and inmates, when in reality, the CEO is setting them up for, well paid label dead while alive, live organ transplant investments and killings of the people.

I seek the apprehension of Amanda Hiller and Mark Schroeder, to stop them from killing and injuring other, healthy and good-standing drivers, and for their over 10 years, lead roles, in their racist and sexist, conspiracy to murder me and many other New Yorkers, who look like me. They have used their unregulated, not validated, fraudulent and malicious driver record concoction records and bank account seizure fraud, to deny me basic, God given liberty rights, to travel safely. They are treasonous democide killers.

Their attempted murders of me via their advertised and not stopped yet, discriminatory driver license suspension and false arrest scheme programming, is documented. Their racist and sexist democide crimes must be stopped. Consequently, this affidavit, is well grounded, cognizable in facts and penalty enforcement warranted, based on the millions of attached summarized, Boyden Gray name aligned eugenic assassinations. The death penalty is needed in this matter to stop democide, eugenics, and genocide. Penalty enforcement is warranted pursuant to existing public safety and human rights law and by good faith argument for the enforcement of existing laws.

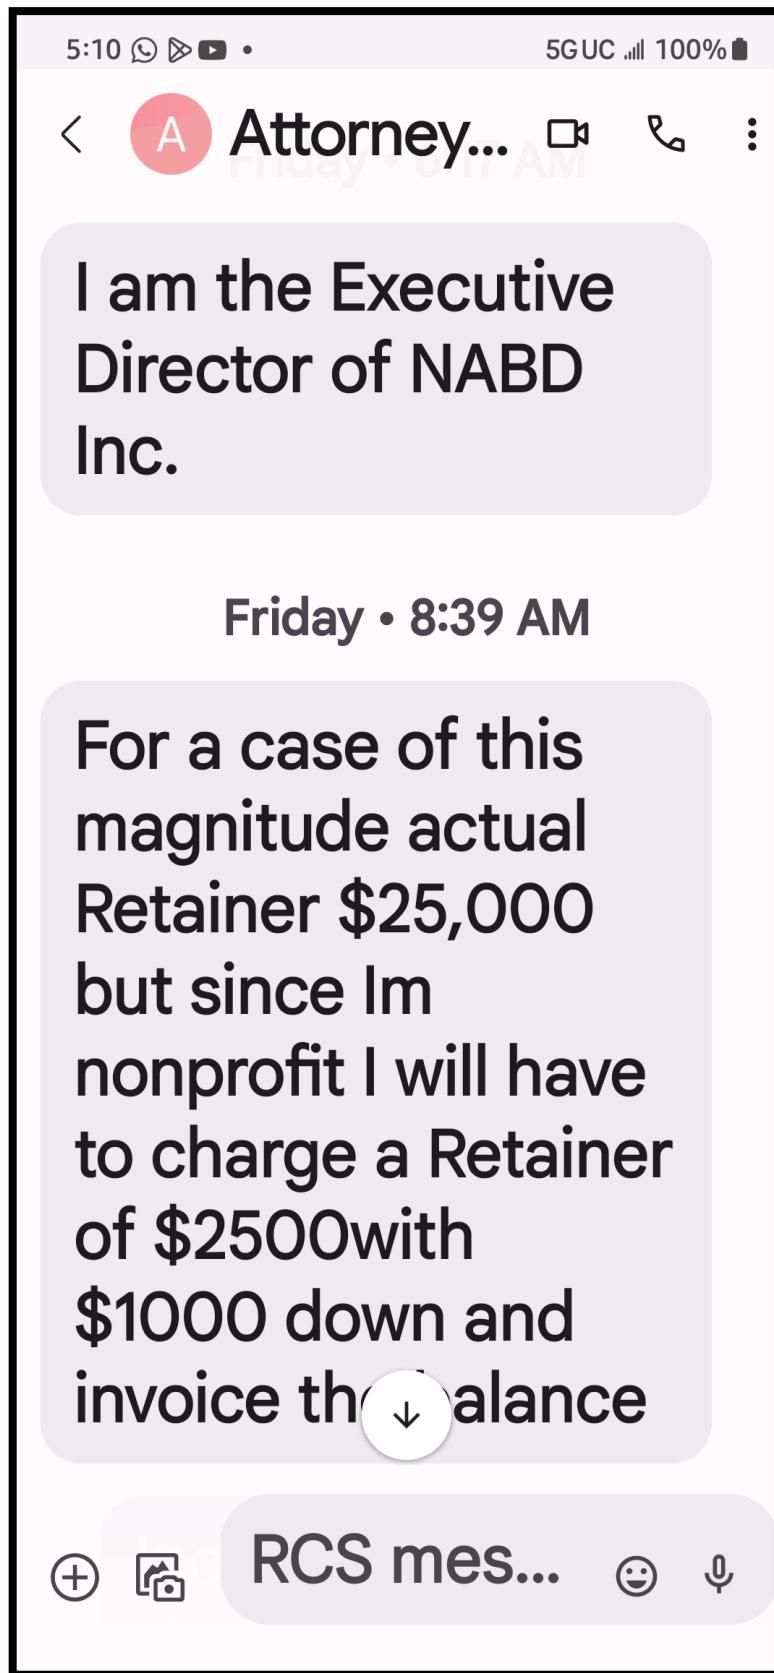

This affidavit is not interposed for any improper purpose.

I have filed this affidavit in good faith and solely for the purposes set forth in it. I seek the death penalty for all Boyden Gray PLLC law front partner killers, including all, race pitted, unethical and criminal organ transplantation investors, in the Boyden Gray PLLC law front concoction, titled: National Association of Black Defenders Inc.

I seek the official extermination of the DEMOCIDE AND GENOCIDE CURSE, by the stoppage of the criminal use of government agents, money, people, and counterfeit/treason laws, for Boyden Gray PLLC law front's multiple and multifaceted body broker, label dead, while alive, humans killing humans' programs and more. I seek penalty enforcement for each criminal's participation, in this over 10-year, conspiracy to murder crime, disguised and administered, as the Boyden Gray PLLC, name aligned, discriminatory good-standing driver license suspension and killing program. There are 104 pages in this declaration. Thank you for your time.

Sincerely,  
  
Miriam Snyder

# Democide

Article   Talk

From Wikipedia, the free encyclopedia

**Democide** refers to "the intentional killing of an unarmed or disarmed person by [government agents](#) acting in their [authoritative](#) capacity and pursuant to government policy or high command." The term was first coined by Holocaust historian and statistics expert, [R.J. Rummel](#) in his book *Death by Government*, but has also been described as a better term than [genocide](#) to refer to certain types of mass killings, by renowned Holocaust historian [Yehuda Bauer](#).<sup>[1][2]</sup> According to Rummel, this definition covers a wide range of deaths, including [forced labor](#) and [concentration camp](#) victims, [extrajudicial summary killings](#), and mass deaths due to governmental acts of criminal omission and neglect, such as in deliberate [famines](#) like the [Holodomor](#), as well as killings by *de facto* governments, for example, killings during a [civil war](#).<sup>[1][2]</sup> This definition covers any [murder](#) of any number of persons by any government.<sup>[1][2]</sup>

Rummel created *democide* as an extended term to include forms of government murder not covered by [genocide](#). According to Rummel, democide surpassed war as the leading cause of non-natural death in the 20th century.<sup>[3][4]</sup>

Dear Michael McCorvey:

I spoke to you today. It was a refreshing pleasure. As stated, I am forwarding you information regarding the need for an anti-eugenics commission, which I hope to start, once recompense is administered for the inflicted terrorism, repeated attempted murders, see below documentation, and retaliation for documenting unregulated, criminal method of operation, Boyden Gray PLLC name aligned, eugenic assassination programs, directly impacting and killing people of color, at disproportionate rates.

My name is Miriam Snyder. I am an educator, litigator, evangelist, and human rights advocate. I have heard so many of your videos that align with my research. I do not know where to begin. The video that discussed how counterfeit laws were made to criminally institutionalize/incarcerate blacks was phenomenal. This explained why for the last 10 years I have been fighting in court and out of court, to get my name off this NYS, in writing, and not stopped discriminatory driver license suspension program. In summary, NYS created a non-validated, unconstitutional, no affidavit anywhere, no due process, counterfeit tax law, that uses no signature tax warrants and other counterfeit warrants to suspend good-standing driver licenses and to seize money out of bank accounts. While the evidence is indisputable, like warrants with no authority, no signature, no lawyer or judge has stopped these crimes yet, despite the fact that this in writing discriminatory driver license suspension program, disproportionately kill and injure black people, by pitting police against blacks under false pretenses.

This deadly program is name aligned to a eugenic assassination law front I have been documenting for over 20 years. I am the last person that should be criminally placed in this name aligned eugenic assassination program. This law front is called Boyden Gray PLLC, and these eugenacists/killers are working out of Washington DC and via the executive branch of government. They organize and administer money to each state and global regions for eugenic assassination programming. One of their eugenic assassination, label dead, while alive, programs, is the discriminatory driver license suspension program.

This criminal law front is name aligned and the lead law front in killing black people via Covid, HIV, patterned and practiced black pregnant women and baby induced mortality and cancer regional killings. Please see the below links:

NYS is using a deadly eugenic killing law front called Boyden Gray PLLC to program the killing of innocent and healthy people using the schemed and scripted program. Please see this bold face criminal killing DCRIMINATORY DRIVER LICENSE SUSPENSION PROGRAM here page 12 at:

<https://archive.org/details/september-19-j-2023-summary-of-boyden-gray-pllc-law-front-s-nys-dmv-and-hiller-attempted-murders/page/12/mode/1up>

For 10 years I have tried to get out this eugenic killing/human sacrifice killing program and have not yet. This program used counterfeit law making to create a false and non-validated, out of the sky tax law and bill, that seizes non-validated money out of bank accounts and good-standing driver licenses, using an unsigned, no affidavit anywhere, and no authority NYS counterfeit tax warrant. Please see the links below. In addition, this program used, 3 times, imposture and corrupt police with guns to stop me with no probable cause. I have been and I am being set up to be killed by the police, using this documented, deadly and criminal discriminatory driver license suspension program. This program has used defective police stolen car reader to allege 3 rental cars I was authorized to drive with contract, were stolen. The cars were not stolen. I was being stopped with no probable cause for false police ticket writing of an unauthorized driver.

The police suppressed the no probable cause police stop defective stolen car reader in their ticket writing. The ticket writing was done for a fictional administration disregard all evidence hearing to effectuate a wrongful conviction, for a second false warrant, to kidnap and body snatch innocent people for eugenic and human sacrifice killings. NYS is being used as a satanic cult's haven for eugenics, for killing people under multiple disguises, for human sacrifice purposes. The below linked discriminatory driver license suspension program, targets, assaults and kills black people more than any other race of people. Such is done with no penalties yet!

Please read the links below to see how I have been terrorized. I am being terrorized because I have spent years documenting a regional killer named Boyden Gray, who alleges to be dead, yet his law front is continuing the assassinations. As satanists, the more killings they get, the more power they have. Please read the below links. Some are affidavits. Please help stop this murder program that targets women, seniors with properties, and minorities/blacks, mostly. I sued Pro Se and got the fraudulent tax lien and suspension removed, and they repeated the crimes. They despise Pro Se people. I need a competent human right, wrongful conviction, police corruption lawyer. I have damages of over 10 years of rental cars, defamation, slander, emotional duress, FDCPA validation obstructions, repeated denied equal protection of the law and more.

Please note I was able to rent cars because this discriminatory driver license suspension program allows such, and was created and is administered for schemed, plotted, and premediated criminal use of the police for kidnapping and body snatching for human sacrifice killings, using false driver records, fake warrants, and fictional hearings.

Finally, it is my professional contention, that these demon criminals are the same satanic cult running the prison system via the satanic eugenic killing Boyden Gray PLLC law front. These satanists use their killing law front to usurp authority in all government sponsored entities, for the sole purpose of meeting their satanic, torture and killing requirements for earthly wealth and power. Boyden Gray's father Gordon Gray worked out of the executive branch of government since the 1950's. The son Boyden Gray has been in the executive branch of government since then. He was the oldest person and demon in the executive branch steadfast. He has used such office for funding eugenic assassination, torture, and human sacrifice killings. Thank you for your time.

Sincerely,

Miriam Snyder

## Discriminatory Driver's License Suspension Schemes

Danielle Conley and Ariel Levinson-Waldman

*"The story of license suspensions . . . reveals both the extent of the injury governments are willing to inflict on low-income people in order to balance their books and the results that advocacy can achieve to reduce the damage." – Peter Edelman<sup>1</sup>*

More than seven million Americans have lost their driver's licenses for nonpayment of a ticket or fine.<sup>2</sup> For many lower-income community members in 21st century America, a driver's license is critical for everyday life tasks like getting to work, childcare or a child's school, doctor's appointments (especially vital for senior citizens), and transporting heavy groceries. Most people who are not able to afford to pay their fines, therefore, just keep driving.<sup>3</sup> When a

Lawsuits are now pending in Alabama, California, Michigan, Montana, Pennsylvania, North Carolina, Oregon, Tennessee, and Virginia.<sup>70</sup> The challenged state practices differ somewhat, but what they all have in common is that they either automatically suspend a person's license or otherwise fail to consider a person's ability to pay the fines or fees that trigger suspension. Four legal theories, all of which share common nuclei in the Constitution's equal protection and due process clauses, underlie these challenges.<sup>71</sup> Two of these theories are familiar to most lawyers: procedural and substantive due

Georgia<sup>72</sup> and James v. Strange.<sup>73</sup> The following sections provide an overview of these claims, focusing on five cases pending in federal district court, none of which have yet to be addressed on the merits in an opinion by a federal appellate court: Fowler v. Johnson in the Eastern District of Michigan; Stinnie v. Holcomb, in the Western District of Virginia; Robinson v. Purkey and its companion case, Thomas v. Haslam, in the Middle District of Tennessee; and Mendoza v. Garrett, in the District of Oregon.. <https://www.acslaw.org/wp-content/uploads/2019/03/License-Suspension-Issue-Brief-Final.pdf>

NO ONE SHOULD BE TWICE HARASSED FOR THE SAME OFFENSE.  
THIS MAXIM IS SIMILAR TO OTHERS THAT PUT A BURDEN ON THE STATE TO PROVE CRIMES WITH CERTAINTY OR SET  
THE ACCUSED PERSON FREE. NOT AMANDA HILLER. FOR OVER 8 YEARS SHE HAS CRIMINALLY VIOLATED  
FDCPA § 1692 G(B) COLLECTOR MUST CEASE COLLECTION EFFORTS UNTIL DEBT IS VALIDATED TO INJURE MIRIAM  
SNYDER

THE STATE IS REQUIRED BY PRINCIPLES OF JUSTICE TO MEET ITS BURDEN OF PROOF. IT CAN PRESENT EVIDENCE IN  
THE FORM OF WITNESSES AND EXHIBITS, BUT IT MUST PERMIT THE ACCUSED TO PRESENT EVIDENCE THAT  
DISCOUNTS STATE EVIDENCE. EACH SIDE PRESENTS ITS CASE IN ACCORDANCE WITH STRICT RULES, THE STATE  
GOING FIRST AND THE ACCUSED PERSON FOLLOWING WITH HIS DEFENSE. IF THE STATE FAILS TO CARRY ITS BURDEN  
TO PROVE THE CRIME BEYOND A REASONABLE DOUBT, THE ACCUSED GOES FREE. ONCE AN ACCUSED PERSON IS SET  
FREE, **THE STATE CANNOT AGAIN TRY THAT PERSON FOR THE SAME OFFENSE. THE STATE HAD ITS CHANCE AND  
FAILED TO CARRY ITS BURDEN.**

**TO GIVE THE STATE ANOTHER “BITE AT THE APPLE” WOULD BE TO DENY MIRIAM SNYDER AND OTHER SIMILARLY  
SITUATED NEW YORKERS HER RIGHT TO JUSTICE, FOR JUSTICE REQUIRES THE STATE TO CARRY ITS BURDEN OR  
ACQUIT.**

BOTH SIDES HAVE ONE CHANCE AND ONE CHANCE ONLY TO MAKE THEIR STORY CLEAR. IF THE STATE FAILS TO  
CARRY ITS BURDEN OF PROOF IN THE FIRST ATTEMPT, THE ACCUSED PERSON GOES FREE AND CANNOT AGAIN BE  
TRIED FOR THE SAME OFFENSE.

Version 11/19/05 7:15 AM

***No one should be twice harassed for the same offense.***

This maxim is similar to others that put a burden on the state to prove crimes with certainty or set the accused person free.

The state is required by principles of justice to meet its burden of proof. It can present evidence in the form of witnesses and exhibits, but it must permit the accused to present evidence that discounts state evidence. Each side presents its case in accordance with strict rules, the state going first and the accused person following with his defense. If the state fails to carry its burden to prove the crime beyond a reasonable doubt, the accused goes free. Once an accused person is set free, the state cannot again try that person for the same crime. The state had its chance and failed to carry its burden.

To give the state another “bite at the apple” would be to deny the accused his right to justice, for justice requires the state to carry its burden or acquit.

Both sides have one chance and one chance only to make their story clear. If the state fails to carry its burden of proof in the first attempt, the accused person goes free and cannot again be tried for the same offense.

The point of this maxim is common sense when viewed in light of the other maxims, for only if the state is required to carry its burden in the initial proceeding can justice be secured. Otherwise an accused person could be dragged back into court repeatedly until the state finally found a jury willing to convict. That is contrary to the principles of justice that require the accusing party to bear its burden of proof.

This maxim is embodied in the Fifth Amendment to our Constitution.

Only by adhering to maxims of law and understanding the self-evident truths on which they are based can we preserve liberty and justice for future generations, because the very nature of liberty and justice are found in maxims that are the very expressions of those virtues.

Without liberty there can be no justice.

Without justice there can be no liberty.

Without maxims we have no way of knowing which is which.

In exhibits 8A, 9, and 10, you will see Amanda Hiller's admission of guilt, admission that she could not prove her fraudulent tax claims. I sued her in the NYS Tax Tribunal because I knew I did not owe any tax money and that she could not prove her tax claims. In the New York State Division of Tax Appeals, she refused to validate her tax claims, she refused to produce an affidavit attesting to any truth in her claims. She put in a stipulation of cancellation and used her corruption to deny me litigation costs. In the tax court she used deceit, trickery, and fraud in court and out of court.

By failing to respond to the Claimant, Miriam Snyder's demand for validation, demand for proof of claims, demand for Amanda Hiller's affidavit attesting to her tax fraud, she is in contractual default. Please see exhibits 18 A-C. This demand for validation of Amanda Hiller's tax concoctions is one of many. Amanda Hiller admitted to and acquiesced to the crimes which the Claimant Miriam Snyder complained about and sought to protect herself from further abuses. Her continuing on with her refusal to validate malicious collections against this Claimant, exemplifies her acting in knowledgeable and willful criminal assaults against Claimant Miriam Snyder and in well-informed and willful breach of contract that she concocted.

Amanda Hiller was Noticed and Warned of her wrongs and what was required to right them. Her failing to validate her fictitious tax debts and rebut the many Commercial Dispute and Validation Demand Affidavits I filed, in and out of court, epitomizes her organized tax fraud, on many levels, shows. Amanda Hiller cannot prove any tax claim, against this claimant, Miriam Snyder and therefore she concocted her no name, no seal, no jurisdiction, no affidavit anywhere, criminal counterfeit tax warrant, to enjoin DMV and the police, to set me up and try to have me killed.

If anything happens to me or any police officer, regarding this NYS over 8 year and continuing to today, organized tax fraud program that comes with the attached documented discriminatory driver license suspension crimes, and the programmed no probable cause malicious police detentions, let the record be clear, the conspiracy to murder and injure criminals are each of the following, individually and in their public official and attorney capacities. They are Amanda Hiller, C. Boyden Gray, Mark Schroeder, NYC Police Officer Urman and any other no probable cause Police detention conspirators enjoined.

Amanda Hiller needs to be removed expeditiously from public office, she is a danger to herself and others. The Claimant and Affiant, Miriam Snyder, exercises her unalienable Sovereign Right against Amanda Hiller, as The NYS Acting Tax Commissioner and The New York State Department of Finance and Taxation, and its officers, for a redress of grievances for fraud, exaction, theft, treason, plus more by this Administrative Bond Claim process pursuant to the Commercial instrument of the people known as the Constitution for the State of New York, as stated in Article I Sections 3, 11 and 12 and NYS Penal Law: Articles 175 and 190 as noted in exhibits 16, 17 and 24, in the below link.

"Jurisdiction, once challenged, cannot be assumed and must be decided."  
*Maine v. Thiboutot*, 100 S. Ct. 250

*Marbury v. Madison*, 5 US 137: "The Constitution of these United States is the supreme law of the land. Any law that is repugnant to the Constitution is null and void of law."

## NYS DMV DISREGARDED SUBMITTED CONSTITUTIONAL PROTECTION

# EVIDENCE

## MEMORANDUM OF LAW ON TRAVEL RIGHTS SECURED BY THE CONSTITUTION AND THE PROBABLE CAUSE REQUIREMENT FOR POLICE STOPS AS ESTABLISHED BY THE SUPREME COURT OF THE UNITED STATES

### U.S. Supreme Court decisions:

"Where rights secured by the Constitution are involved, there can be no rule making or legislation which would abrogate them."

Miranda vs. Arizona, 384 US 436, 491

"The State cannot diminish rights of the people."

Hertado v. California, 110 U.S. 516.

"The claim and exercise of a constitutional Right cannot be converted into a crime."

Miller vs. U.S., 230 F. 486, 489

"Undoubtedly the Right of locomotion, the Right to remove from one place to another according to inclination, is an attribute of personal liberty, and the Right, ordinarily, of free transit from or through the territory of any state is a Right secured by the Fourteenth Amendment and by other provisions of the Constitution."

Williams v. Fears, 343 U.S. 270, 274

A citizen may have, under the Fourteenth Amendment, the right to travel and transport his property upon them by auto vehicle. But he has no right to make the highways his place of business by using them as a common carrier for hire. Such use is a privilege which may be granted or withheld by the state in its discretion, without violating either the due process clause or the equal protection clause.

Packard v. Banton, 264 U.S. 140, 144[.] and Buck v. Kuykendall, 267 U.S. 307, 314 (1925).

"The assertion of federal rights, when plainly and reasonably made, is not to be defeated under the name of local practice." - Davis v. Wechsler, 263 U.S. 22, 24.

"The right to travel is a part of the liberty of which the citizen cannot be deprived without due process of law under the 5th Amendment."

Kent v Dulles, 357 U.S. 116, 125.

### New York state - Article 21 General Provisions: § 21.05 Definitions.

9. "Highway" shall mean the entire width between the boundary lines of any way or place thereof is open to the use of the public, as a matter of right, for the purpose of vehicular traffic.

"Although "highway" has a broad meaning (basically including any street, city or rural), the purposes of a highway, as used in the statutory definition, are limited. In defining highway, the statute refers to "every way open to the use of the public as a matter of right for the purposes of vehicular travel. It includes those roads ... opened to the use of the public for the purpose of vehicular travel." Wis.Stat. § 340.01(22)

Schultz v. Frisby, 807 F. 2d 1339 - U.S. Court of Appeals, 7th Circuit 1986

Counterfeit **NYS Tax or MVL Law 171** is dangerous, it pits good standing drivers and police based on the attached plotted false pretense, no signature tax warrant, and unauthorized driver license suspensions,

- Counterfeit **NYS Tax or MVL Law 171** puts police and good-standing drivers in unwarranted harm's way using the false pretense, no signature tax warrant, and unauthorized driver license suspensions,
- Counterfeit **NYS Tax or MVL Law 171** obstructs Sections 11 and 12 of the NYS Constitution, equal protection and liberty and property right seizures,
- Counterfeit **NYS Tax or MVL Law 171** obstructs consumer protections in the FDCPA and the FCRA,
- Counterfeit **NYS Tax or MVL Law 171** obstructs debt validation protections in the Fair Debt Collection Practices Act and in the Fair Credit Billing Act,
- Counterfeit **NYS Tax or MVL Law 171** obstructs due process protections in the NYS and Federal Constitutions
- Counterfeit **NYS Tax or MVL Law 171** inflicts false, deceptive, and misleading representations and means in connection with alleged debt collection
- Counterfeit **NYS Tax or MVL Law 171** paves the way for plotted police brutality and induced hospitalizations based on a false pretense, unsigned tax warrant, driver license suspension
- Counterfeit **NYS Tax or MVL Law 171** paves the way for plotted induced hospitalizations based on a false pretense, unsigned tax warrant, driver license suspension
- Counterfeit **NYS Tax or MVL Law 171** induces good standing drivers into the criminal justice system based on a false pretense, unsigned tax warrant, unauthorized driver license suspension
- Counterfeit **NYS Tax or MVL Law 171** is a criminally insane counterfeit and treasonous law created to undermine due process protections in the constitution, to create debt slaves and to eugenically kill people by setting up false pretense pitting's to induce hospitalize police and good-standing drivers for eugenically prepared hospital counterfeit killings, labeling live people dead
- Counterfeit **NYS Tax or MVL Law 171** obstructs the consent that would validate the state's power. This counterfeit law is not informed consent. It is consent by force or ignorance and such is not consent at all; it is coercion. Government rule by laws that are uncertain, or unknown is not consensual. This counterfeit law obstructs the very basic maxims of law which state that the safety of the people is the supreme law and the safety of the people cannot be judged but by the safety of every individual. Please see some of the Maxims of Law at: <https://drive.google.com/file/d/1R8IanLJZZYRG7luef-lEvg7-LhYfd3Cf/view?usp=sharing>
- Counterfeit **NYS Tax or MVL Law 171** obstructs lawful procedures set in CPLR 2219, Guide to the form of Orders and 28 U.S. Code § 1691.Seal and teste of process
- Counterfeit **NYS Tax or MVL Law 171** must be repealed because it uses a false pretense, unsigned, counterfeit, tax warrant as authority to obstruct one's good standing driver license status. This counterfeit law criminally seizes one's liberty right to live in peace and travel safely. This counterfeit NYS Tax Law Section 171 has been used to create the attached unsigned tax warrant that has been used to steal money out of several bank accounts.
- Counterfeit **NYS Tax or MVL Law 171** obstructs lawful procedures rooted in due process protections in the NYS Constitution Section 12, CPLR sections 3212, 3215, and 4518 business records.
- Counterfeit **NYS Tax or MVL Law 171** must be repealed because it obstructs public safety provisions and invokes Penal Code Sections 240.00, Offenses Against Public Order and 240.15 B, Criminal Anarchy.
- Counterfeit NYS Tax or MVL Law §171, enforces criminal anarchy in that it advances organized fraud for extortion purposes. More specific, the denied due process of alleged tax debt validation, the enforcement of un-authored/unsigned alleged license suspension orders, the use of un-authored/unsigned tax warrants, denied certified tax assessments, no affidavit anywhere/anytime/ no summons, no complaint, no court order, exemplifies criminal anarchy and invokes offenses against public order.

What is the difference between eugenics and Euthenics?

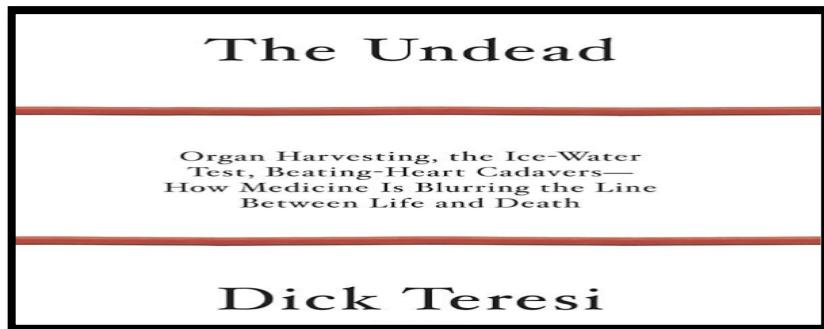

**Eugenics deals with race improvement through heredity. Euthenics deals with race improvement through environment.** Eugenics is hygiene for the future generations.

What is an example of euthenics?

Examples of **euthenics** include: **Water treatment** plants to provide clean water in our environment. Vaccines to eradicate diseases. **Genetically modified fruits and vegetables.**

The screenshot shows the Wiktionary entry for 'antemortem'. It includes the phonetic transcription '/,an(t)ē' mōrdəm/, the part of speech (adjective), and its definition: 'occurring or performed before death.' Below this, there is another definition: 'before death.' Red arrows point from the word 'occurring' in the first definition and the word 'before' in the second definition to the word 'before' in the main heading 'The Undead' below. The page also includes a 'Translations and more definitions' section and a 'People also ask' section with a question about what 'antemortem' means in medical terms.

The Institute of Medicine's 2000 report, **To Err Is Human**, and the widespread media attention it received, dramatically increased awareness of the extent of **medical mistakes in U.S. hospitals**. Since then, a number of states and national quality organizations have adopted policies requiring or encouraging medical professionals to tell patients and families when unanticipated "adverse events" occur. Some organizations and insurers have gone even further by adopting programs through which disclosures of adverse events are accompanied by offers of compensation (known as

disclosure and offer or D&O programs). **Still, prompt disclosure of medical errors** and fair compensation remain the exception rather than the rule.

Thomas H. Gallagher, M.D., associate professor of medicine at the University of Washington,

and Michelle M. Mello, J.D., Ph.D., M.Phil., **C. Boyden**

**Gray** Associate Professor of Health Policy and Law at the Harvard School of Public Health, seek to more fully understand the effects of disclosure initiatives and innovative D&O programs on malpractice costs and patients' access to compensation. Their project, **Responding Justly to Patients Harmed by Medical Care: Disclosure, Compensation, and Litigation**, explores how policy levers can be used to make disclosing errors more routine and evaluates the design and effectiveness of D&O programs. Their work should help policymakers better understand the potential of these initiatives and how they might best be integrated into broader medical liability reforms.

**Stock Market Participation: The Role of Human Capital ...**

<https://www.richmondfed.org> > working\_papers

**Human capital investment** is significant for most individuals, while stock market participation is limited, especially early in life.

**Can human capital be traded?**

Human capital is intangible and can't be purchased or sold **directly**. For this reason, it does not get much **financial press**.

Part 1: When Americans leave their bodies to science, they are also **donating to commerce**:

**Cadavers and body parts, especially those of the poor**, are

15

**sold in a thriving and largely unregulated market. Grisly abuses abound.** <https://www.reuters.com/investigates/special-report/usa-bodies-brokers/>

**Body brokers are also known as non-transplant tissue banks.** They are distinct from the organ and tissue transplant industry, which the U.S.

government closely regulates. **Selling hearts, kidneys and tendons for transplant is illegal. But no federal law governs the sale of cadavers or body parts for use in research or education.** Few state laws provide any oversight whatsoever, and almost anyone, regardless of expertise, can dissect and sell human body parts.

"The current state of affairs is a free-for-all," said Angela McArthur, who directs the body donation program at the University of Minnesota Medical School and formerly chaired her state's anatomical donation commission. "We are seeing similar problems to what we saw with grave-robbers centuries ago," she said, referring to the 19th-century practice of **obtaining cadavers in ways that violated the dignity of the dead**.

"I don't know if I can state this strongly enough," McArthur said. "What **they are doing is profiting from the sale of humans.**"

Why is organ sale illegal?

Millions of people are suffering, not because the organs are not available but because “morality” does not allow them to have access to the organs. Arguments against organ sale are grounded in two broad considerations: (1) sale is contrary to human dignity, and (2) sale violates equity.

THE BELOW ARTICLE SHOULD SAY THE LABELED DEAD, NOT THE DEAD.

## In the U.S. market for human bodies, almost anyone can dissect and sell the dead

The industry's business model hinges on access to a large supply of free bodies, which often come from the poor. In return for a body, brokers typically cremate a portion of the donor at no charge. By offering free cremation, some deathcare industry veterans say, brokers appeal to low-income families at their most vulnerable. Many have drained their savings paying for a loved one's medical treatment and can't afford a traditional funeral.

"People who have financial means get the chance to have the moral, ethical and spiritual debates about which method to choose," said Dawn Vander Kolk, an Illinois hospice social worker. "But if they don't have money, they may end up with the option of last resort: body donation."

### BODY DONATION, NOT DEAD BODY DONATION, BUT INJURED LIVE BODY HOSPITAL DONATIONS VIA UNCONSCIONABLE CONTRACTED HOSPITAL FORMS

**Human capital investment** is significant for most individuals, while stock market participation is limited, especially early in life.

### Can human capital be traded?

Human capital is intangible and can't be purchased or sold **directly**. For this reason, it does not get much **financial press**.

Part 1: When Americans leave their bodies to science, they are also **donating to commerce**:

**Cadavers and body parts, especially those of the poor**, are

**Body brokers are also known as non-transplant tissue banks.** They are distinct from the organ and tissue transplant industry, which the U.S. government closely regulates. Selling hearts, kidneys and tendons for transplant is illegal. But no federal law governs the sale of cadavers or body parts for use in research or education.

#### Manmade Disasters: A Historical Review of Terrorism and Implications for the Future

Terrorism is defined as the illegitimate use or threat of violence to further political objectives. It is illegitimate in that it targets civilians and/or non-combatants and it is perpetrated by clandestine agents of state and non-state actors in contravention of the laws of war and criminal statutes. It is symbolic and premeditated violence whose purpose is to communicate a message to a wider population than the immediate victims of violence. It is designed to affect this audience by creating psychological states of fear in order to influence decision-makers to change policies, practices or systems that are related to the perpetrators' political objectives.

These objectives can be either systemic or sub-systemic and may be motivated by complex social forces

including, but not limited to, ideology, ethno-nationalism, or religious extremism

### Human Research

The space station is being used to study the risks to human health that are inherent in space exploration. Focal research questions address the mechanisms of the risks and develop test countermeasures to reduce these risks. Research on space station addresses the major risks to human health from residence in a long-duration microgravity environment. Results from this research are key enablers for future long-duration missions beyond low Earth orbit

The screenshot shows the NASA Human Research Experiment Explorer search results page. The results are sorted by relevance. The first result is 'Twins Study - Snyder (HERO Twin Astronaut Study Consortium (TASC) Project: Longitudinal Integrated Multi-omics Analysis of the Biomolecular Effects of Space Travel)'. It includes a brief description of the study, which involves identical twins staying on the International Space Station for one year while their twin remains on Earth. The second result is 'HREP-HICO (HICO and RAIDS Experiment Payload - Hyperspectral Imager for the Coastal Ocean)'. Both results have 'Show citation' and 'Copy citation' buttons. A red arrow points from the left margin to the first experiment entry.

### **Manmade Disasters: A Historical Review of Terrorism and Implications for the Future**

Terrorism is defined as the illegitimate use or threat of violence to further political objectives. It is illegitimate in that it targets civilians and/or non-combatants and it is perpetrated by clandestine agents of state and non-state actors in contravention of the laws of war and criminal statutes. It is symbolic and premeditated violence whose purpose is to communicate a message to a wider population than the immediate victims of violence. It is designed to affect this audience by creating psychological states of fear in order to influence decision-makers to change policies, practices or systems that are related to the perpetrators' political objectives. These objectives can be either systemic or sub-systemic and may be motivated by complex social forces including, but not limited to, ideology, ethno-nationalism, or

## Human Sacrifice Is Linked To Social Hierarchies In New Study

### HONOR ROLL OF DONORS (July 1, 2020 - UNC School of Law)

Mr. William Porter Farthing Jr. '74 and Ms. Linda McFarland Farthing ... Ambassador C. Boyden Gray '68. The Hon. ... Mr. Bill Chappell Jr.

25 pages

Saying they found "a darker link between religion and the evolution of modern hierarchical societies" than has been previously suggested, a group of scientists say ritual human sacrifice promoted stratified social systems – and helped to sustain inherited class systems once they were established.

After comparing dozens of societies, the researchers found that ritualized human sacrifice was far more common in highly stratified societies than it was in egalitarian societies. Noting the high level of overlap between religious and political sectors in the societies, the scientists write, "human sacrifice may have been co-opted by elites as a divinely sanctioned means of social control."

#### Economic Credentialing:

- The use of 'non-competence' related criteria for membership on a medical staff or in a healthcare organization
- Point of contention with AMA, physician groups, attorneys, and healthcare organizations (e.g. Murphy v. Baptist Health and Rosenblum v. Tallahassee Memorial Regional Medical Center, Friedman v. Delaware County Memorial Hospital-2009)
- Growing necessity due to evolution of 'at-risk' reimbursement methodologies (e.g. shared savings)
- Best approach is to always link 'economic' criteria to quality (e.g. utilization management), community need and maintain a clear moral compass with regard to patient and community interests

What is the problem with child soldiers in Africa?

Many times the children recruited remain in the armed forces as they are forced into acts of violence against their own families to ensure they cannot go back to their communities. Other times,

**children are given drugs to alter their state of mind**  
to facilitate the way their thoughts are shaped by people in command.

**THE BELOW IS BOYDEN GRAY PLLC LAW FRONT'S CRIMINAL, DEADLY AND NO AUTHORITY, CHILDREN ASSASSIN CREATION DEVELOPMENT PROGRAM. IT IS DISGUISED AS THE GOLDIN INSTITUTE BECAUSE IT WAS CRIMINALLY CREATED FOR BODY BROKER HUMANS KILLING HUMANS' TEMPORARY WEALTH PLAN. IT IS BASED ON CHILDREN ASSASSIN CREATIONS FOR ORGANIZED MURDERS FOR BOYDEN GRAY PLLC GOLDIN INSTITUTE CHILDREN SACRIFICE BODY BROKERS.**

The screenshot shows the homepage of the Goldin Institute. At the top left is the logo 'GOLDIN INSTITUTE'. A red arrow points from the word 'GOLDIN' in the logo to the word 'GOLDIN' in the main navigation menu. The menu includes 'WHO WE ARE', 'WHAT WE DO', 'GATHER', 'GET INVOLVED', 'DONATE' (in an orange button), and a search icon. Below the menu is the title 'Child Soldier Map'. A text block states: 'It is estimated that well over 300,000 children are currently fighting in wars or have recently been demobilized. As the same time, the number of children emerging from these traumatic circumstances has dramatically increased. Former child soldiers are in the need of concrete plans for reintegration and rehabilitation into their communities.' Below this text is another 'DONATE' button. The main visual is a world map where countries affected by child soldiers are highlighted in orange. A small label 'Afghanistan' is visible near the bottom center of the map. At the bottom of the page is a blue link: <https://www.goldininstitute.org/grassroots-solutions/child-soldier-map>.

The Satanists of the Reynolds family have been involved in high level drug dealing during this century. They have also had some important and major interests in Banking, Tobacco, and Aluminum, it seems like a fair number have gotten into the mortuary/cremation business, which is a great assistance for cremation after rituals involving human sacrifice.

# PSALM 91

Whoever dwells in the shelter of the Most High will rest in the shadow of the Almighty.

I will say of the LORD, "He is my refuge and my fortress, my God, in whom I trust."

Surely he will save you from the fowler's snare and from the deadly pestilence.

He will cover you with his feathers, and under his wings you will find refuge; his faithfulness will be your shield and rampart.

You will not fear the terror of night, nor the arrow that flies by day,

nor the pestilence that stalks in the darkness, nor the plague that destroys at midday.

A thousand may fall at your side, ten thousand at your right hand, but it will not come near you.

You will only observe with your eyes and see the punishment of the wicked.

If you say, "The LORD is my refuge," and you make the Most High your dwelling,

no harm will overtake you, no disaster will come near your tent.

For he will command his angels concerning you to guard you in all your ways;

they will lift you up in their hands, so that you will not strike your foot against a stone.

You will tread on the lion and the cobra; you will trample the great lion and the serpent.

"Because he loves me," says the LORD,

"I will rescue him; I will protect him, for he acknowledges my name.

He will call on me, and I will answer him; I will be with him in trouble, I will deliver him and honor him.

With long life I will satisfy him and show him my salvation.
